Pendleton Parks and Recreation is pleased to offer financial assistance to individuals or families who may not be in a position to participate due to financial hardship. Funding is available for those persons who qualify by filling out this one page form. Applicants may include a letter for further explanation of unusual circumstances.

Pendleton Parks and Recreation offers two financial assistance programs:

- Scholarship Program:** one \$50 scholarship per youth per brochure, to be used for one or more classes, or,
- 50% Assistance Program:** 50% discount on classes up to \$50 per youth per brochure.

Pendleton Parks and Recreation will review applications and determine which, if either, of the programs a youth may be eligible for, and notify the applicant.

BOTH PROGRAMS REQUIRE A MINIMUM OF \$5 PAYMENT PER CLASS.
