

# Pendleton Parks & Recreation

## Free & Low Cost Activities - Summer 2017

Please be sure to check out our website for the details on these programs so that you have ALL of the information that you'll need; many activities require pre-registration. [www.pendletonparksandrec.com](http://www.pendletonparksandrec.com) then click "Register/Reserve" in the top right corner.

We also have financial assistance available if you live in the Pendleton city limits and qualify based on family size and income. Ask for more details and/or download the forms from our website. On our website you will find a pdf copy of our entire 2017 Spring/Summer Activity Brochure. If your child has already participated in one of our programs, you may have an account and can register using your credit card. Typically, your email is your log-in ID and you'll click "forgot password" to have the system assign one the first time you use the online software. As always, you can also register at the Parks Office, 865 Tutuilla Road, Pendleton, between the hours of 7:00 am and 4:00 pm, Monday through Friday. *Have a GREAT summer!*

| FREE THINGS TO DO!  |                           |  |           |
